RULES AND REGULATIONS.
The following rules and regulations were adopted:

Section 1. The semi-annual meetings of the board shall be held at Portland or Astoria as the board may direct, ten days notice of which shall be given in daily newspapers published in Portland and Astoria.

2. All applications for a license or branch on the Columbia river bar from Astoria to the sea, must be made to the board in writing and state the applicant's name, place of birth, age and experience as a navigator and pilot on the Columbia river bar, and must be accompanied by a bond in the sum of \$5000 with good and sufficient sureties, conditioned upon the faithful performance of his duties as such pilot.

3. All applications for a license or branch on the Columbia or Willamette rivers from Astoria to Portland, must be made to the board in writing and state the applicant's name, place of birth and experience as master or mate on steamers or vessels, and must be accompanied by a bond in the sum of \$5000 with good and sufficient sureties, conditioned upon the faithful performance of his duties as such pilot.

4. Whenever any master, agent or consignee of any sailing vessel, steamship or steamer, shall desire to make a complaint against any pilot licensed by this board, for neglect, carelessness or incompetency, or malicious conduct while in the discharge of his duties as

pilot on said vessel or steamer, said master, agent or consignee shall file with the secretary of this board a written complaint specifying the charges against said pilot, and shall deposit with the secretary the sum of \$40, taking his receipt therefor, and in case said pilot shall be found guilty of the charges as preferred against him, then the money deposited by said master, agent or consignee shall be returned to him, and all expenses attending the examination of pilots on charges so preferred shall be taxed against the party at fault.

5. All pilots who receive a license under this act must pay therefor to the secretary a fee of \$15, and for each yearly renewal thereof a fee of \$10, and must once a month make to this board a statement in writing of all moneys received by him during the month last passed for pilotage, the date of such receipt, nationality, class, name, master, tonnage, when taken in charge of, destination, and draft of water of each vessel piloted, and when required by this board shall make a report of the depth of water upon any or all bars for which said pilots are licensed.

6. That no bar or river pilot shall be allowed to absent himself from his pilot ground for a longer period than five days, without first obtaining permission of a majority of this board.

7. That all bar pilots shall state in their application, on file with the secretary of this board, the name and tonnage of the said pilot-boat to which they belong, and the failure of any pilot to comply with the provisions of these resolutions shall be deemed a sufficient cause for the suspension or revocation of the said pilot license.

8. That on after the 17th day of November, 1882, all applications for branches, filed previous to the organization of the present board, shall be considered canceled; and any party wishing to obtain a branch, either as river or bar pilot, shall proceed according to the rules and regulations now in force.

9. The term "speaking a vessel" for pilot service shall be construed to mean either by the usual form of hailing, or by out of hailing distance and within one-half mile, then the usual code of signals shall be made use of.

10. That the rate of pilotage for the Columbia and Willamette rivers shall be as follows:

From Astoria to—	Per foot draft.
Westport	\$1.25
